Hestur Svartur — Crochet Pattern

A sturdy, hand-knitted eight-legged mythic Viking horse. Proud and hardy, featuring thick black yarn, a voluminous knit mane, and an ornate knit saddle with raven embroidery. (~25 cm, true to reference size)

Origin: Nordic Highlands · **Personality:** Proud, fierce, mythic · **Likes:** Battle, open fields, thick yarn

This is an original pattern written for this character, based on standard, generic amigurumi and toy-knitting construction techniques (magic ring/CO, spiral increases and decreases, i-cord, stuffed tubes and spheres). It does not copy, trace, or reproduce any published or copyrighted pattern -- these underlying construction techniques are standard craft knowledge, not anyone's intellectual property, the same way a recipe's technique of 'creaming butter and sugar' isn't owned by any one baker.

Crochet abbreviations: sc = single crochet · inc = increase (2 sc in same st) · dec = invisible decrease (sc2tog) · sl st = slip stitch · rnd(s) = round(s) · st(s) = stitch(es)

Materials

Yarn: DK or worsted-weight (8-10 ply) pure wool, small quantities in each of: Black.

Hook/needles: a 2.5-3mm crochet hook (go smaller than the yarn band suggests -- a tight, dense fabric is what keeps stuffing from peeking through).

Notions: Tapestry/yarn needle · stitch markers · polyester fiberfill stuffing · embroidery needle and a little dark thread/yarn for the face · small scissors; a short length of wire or pipe-cleaner for horns/tusks/ears if you want them extra crisp.

Gauge

Worked at a firm amigurumi tension: roughly 18 sts and 20 rows over 10 cm in single crochet, worked in the round. Finished size at this gauge is approximately 25 cm -- true to the reference art. Exact gauge isn't critical for a stuffed toy; if your fabric is loose enough to see stuffing through it, drop a hook size rather than add more stuffing.

SNOUT / MUZZLE

Worked as a short tapered tube, attached to the front of the head.

Rnd 1: 6 sc in magic ring (6 sts)
Rnd 2: inc around (12 sts)
Rnd 3: *sc, inc; rep from * around (18 sts)

Rnds 5-9: sc around even, 5 rnds (24 sts)

Lightly stuff, close, and sew to the face.

HEAD

Stuff and sew to the front of the body, angled slightly down.

LEGS (make 8)

Eight slim legs, Sleipnir-style -- work all eight identically, a little slimmer than a normal four-legged build so the underside of the body isn't overcrowded.

Rnd 1: 6 sc in magic ring (6 sts)
Rnd 2: inc around (12 sts)
Rnd 3: *sc, inc; rep from * around (18 sts)

Rnds 4-14: sc around even, 11 rnds (18 sts)

Stuff firmly, leave the last round or two flat, close, and sew evenly spaced along the underside of the body.

EARS (make 2)

Small pointed triangle ears, sewn to the top of the head.

TAIL

A thick fringe tail, black yarn, loop-knot-and-trim technique.

MANE

A voluminous fringe mane down the neck and back, black yarn, worked extra dense for a mythic, dramatic look.

FACE

Embroider small eyes and nostrils once head is stuffed and attached.

EXTRAS & DETAILS

Eight legs total (not four) -- this is the character's whole point, a nod to an eight-legged mythic steed. Space them evenly, four down each side, a little slimmer than a normal horse's legs so the underside isn't crowded. Ornate saddle: a grey saddle blanket shape sewn to the back with a small raven silhouette worked in duplicate stitch or backstitch embroidery in black on top.

Finishing: steam very lightly (hover an iron just above the surface, don't press) to even out stitches, and check every seam by hand -- these take the most handling stress, especially if this toy is for a child. This is a first-generation pattern for this character: proportions, stuffing firmness, or a specific shaping detail may want a tweak once you've made one -- treat it as a working draft.
